

## Shepherding THE Shepherd

July 12–15, 2021 Canaan Valley Resort

After a year of uncertainty and backup plans, how about a getaway for a little fun and fellowship?

## Pastors and their families are invited to retreat with other WVCSB pastors and their families this summer, July 12-15, 2021, at Canaan Valley Resort for Shepherding the Shepherd.

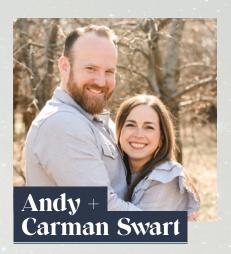

Each day will bring hope to the trenches of ministry through family adventures, time alone with God, worship, encouraging teaching, and food and fellowship.

A \$35 per individual family member registration fee includes three nights lodging, breakfast and dinner each day, books/resources, and other fun surprises. All expenses are underwritten by the West Virginia Convention of Southern Baptists.

Dr. lorg is an author and president of Gateway Seminary where he also teaches leadership, preaching, and church ministry courses. His wife, Ann, is a frequent conference speaker and an adjunct professor of children's ministry at Gateway. Dr. Jeff and Ann lorg have three adult children and four grandchildren.

Andy is the teaching pastor at The Mount Church in Keller, TX. In addition to pastoring, his driving force for kingdom ministry is serving and encouraging pastors to build leaders for Christ. Andy is married to his "great equalizer," Carman, and they have four children. Andy believes a WV July has got to be better than a TX July!

Carl and Heather have been making music together since the first time they met. Carl serves as worship pastor at Fellowship Bible Church in Brentwood, TN. Their ministry of leading worship, writing songs, and mentoring musicians has taken them all over the world. Their family has grown to include a mighty tribe of four boys.
